ASSURANCE
TITLE SERVICES
A Member of Lighthouse Title Group

Assurance Title Services, a trusted provider of settlement and title services in the Fox Valley region since 1983, is delighted to announce its merger with Lighthouse Title Group (LTG), effective April 1, 2024. This strategic partnership in Oshkosh is a great geographic connection between the existing Green Bay and West Bend offices that LTG already has locations in. The proximity of these markets, combined with other 10 LTG Wisconsin offices, creates a robust team support network.

While maintaining the commitment to delivering the same exceptional service, this merger with Lighthouse empowers Assurance to leverage the extensive network of 51 overall Lighthouse locations in Wisconsin and Michigan. Additionally, it opens avenues to enhanced marketing tools, upgraded security measures, cutting-edge technology, office space improvements, and much more.

The Assurance brand will continue as a member of Lighthouse Title Group!
